Dated this the 3rd day October, 2007.

JUDGMENT

The complaint of the petitioner is that he was denied admission to Engineering in the 2nd respondent's college for non-production of the original certificates such as Plus-2 mark list and transfer certificate. The 2nd respondent submits that if the petitioner produces original of these certificates, they are willing to re-consider the matter and admit him in one of the seats, that is kept vacant pursuant to the interim order of this Court. The counsel for the petitioner submits today that the petitioner is now in possession of these certificates and that these certificates will be produced before the 2nd respondent on or before 10th of this month. The learned counsel for the 2nd respondent also submits that once the certificates are so produced, admission will be given.

In view of this, the writ petition is disposed of directing that on production of the certificates as above, the petitioner shall be given admission in the college.

ANTONY DOMINIC, JUDGE.
